## WELCOME

With fall approaching, we're excited to offer fantastic indoor and outdoor programs to help you stay active and enjoy our city. In this guide, you'll find programs to awaken your inner artist, get your heart pumping, or learn something new. As summer continues, the Burnaby Blues & Roots Festival, Summer Cinemas, and Sounds Like Summer are just a few of the events you can look forward to. Check out everything that's happening at [Burnaby.ca/Events](http://Burnaby.ca/Events)

Our city is growing fast, and it's vital to the health of our community that residents have access to top-of-the-line recreation and cultural facilities. Early this year, City Council approved the most ambitious capital plan in Burnaby's history, with the adoption of a financial plan that transforms the City's recreation facilities by investing \$504 million to complete major new facilities within the next five years. These facilities will be built without incurring any debt. That's because the City uses its considerable reserves to fund the construction. Plans include the Rosemary Brown Arena, Confederation Park Community Centre, Cameron Community Centre and Library, and a new pool and NHL-sized arena to replace the aging CG Brown Memorial Pool and Burnaby Lake Arena at Burnaby Lake Sports Complex. For details on all these projects, visit [Burnaby.ca/Projects](http://Burnaby.ca/Projects)

## Let's Stay Cool WHEN IT GETS HOT

Keep yourself and your family safe during extreme heat events. Hot weather can be deadly—especially for seniors, infants, and people with pre-existing health conditions. When extreme temperatures are forecasted in our region, the City activates its Extreme Heat Operational Response Plan to help keep Burnaby residents safe.

It's important to know what resources are available, and to have a plan in place to keep you, your family and your loved ones safe. Drink water, stay cool, know the signs of heat stroke and heat exhaustion, and check in with vulnerable family, friends and neighbours.
