SWIM LESSONS HAVE CHANGED

Burnaby.ca/SwimLessons

The Canadian Red Cross has shifted its focus from swim lessons and lifeguard programs to increasing humanitarian demands in other areas.

We're excited to introduce the Lifesaving Society *Swim for Life* program, which replaces the Canadian Red Cross *Swim Kids* program. Burnaby has a long-standing relationship with the Lifesaving Society via water safety programs and is confident in the quality of their *Swim for Life* program.

Discover your child's new swimming lesson level in these pages.

Learning to swim is an important life skill. It's fun, great for your health and puts you on a path to an active lifestyle.

Reminder: one set at a time

Swimming lesson participants can only be registered for one set of lessons at a time. You may register your child for the next set of lessons only after the completion of the lesson set they are currently registered in. Your child may be withdrawn from a swimming program if registered in more than one lesson set per season.

Parent & Tot

6 months-3 years with an adult
Prerequisite: None. Based on age.

Parent & Tot classes provide an opportunity for parents and children to enjoy in-water interaction in a fun and social setting. Focusing on the importance of play and developing water positive attitudes and skills, children gain valuable exposure to being in and around the water. Parents will learn to be Water Smart® to keep themselves and their child safe in any aquatic setting. Activities and progressions in Parent & Tot are based on developmental stages. Register at the appropriate level based on the age of the child.

If your child is the following age:	Register in Lifesaving Society <i>Swim for Life</i>
6-12 months	Parent & Tot 1 - Jellyfish
12-24 months	Parent & Tot 2 - Goldfish
2-3 years	Parent & Tot 3 - Seahorse

Parent & Tot 1 - Jellyfish

Parents and babies will explore the water together under the watchful eyes of their instructor. Parents learn how to swim safely with their infant in the pool through instruction of holds and supports. Infants will be introduced to getting their face wet, blowing bubbles and floating with the help of their caregiver.

Parent & Tot 2 - Goldfish

Instructors lead sessions helping parents learn how to play in the water safely with their child. With the support of their parent/caregiver, toddlers learn how to enter and exit the water, play games encouraging them to get their face wet and blow bubbles in the water, and develop floating and kicking skills.

Parent & Tot 3 - Seahorse

Parents support their toddlers in becoming more independent in the water. Toddlers learn to safely enter the water wearing a PFD, and develop underwater skills such as submersion and opening their eyes underwater. Through songs and games, toddlers learn 'starfish' floats, 'pencil' floats and kicking skills in a fun and welcoming environment.

SWIM LESSONS HAVE CHANGED

Preschool

3-5 years

Preschool lessons give children a head start on learning how to swim. Children have fun while gaining foundational water skills and become comfortable in the water. Water Smart® education is incorporated into all Preschool levels to support children in learning how to keep themselves safe in and around the water. Once preschoolers turn 6 years old, they can enter Swimmer 1 if they've completed Preschool 1, 2 or 3, or Swimmer 2 if they've completed Preschool 4 or 5.

Preschool 1 - Octopus

This level transitions the preschooler to the care of the instructor. Preschoolers have fun learning to get in and out of the water assisted by their instructor. Playing games in a safe environment, they'll learn how to put their face in the water, blow bubbles in the water, and how to float and glide.

Preschool 2 - Crab

Preschoolers work on becoming more independent with their water skills, by learning how to safely jump into chest-deep water and how to swim wearing a PFD. Additional skills include submerging underwater, floating, gliding, and kicking with various buoyant aids.

Preschool 3 - Orca

Preschoolers will kick and glide their way through the water. Learning how to enter deep water safely wearing a PFD, they'll explore submerging and exhaling underwater, retrieving objects underwater, and continue developing their floating, gliding and kicking skills.

Preschool 4 - Sea Lion

Preschoolers gain some independence in deep water. Learning deep-water entries and treading water wearing a PFD, preschoolers become skilled at retrieving objects from the bottom of the pool in chest-deep water and performing front and side glide. Front crawl wearing a PFD is also introduced.

Preschool 5 - Narwhal

Preschoolers learn Swim to Survive® skills wearing a PFD. Front crawl and back crawl are introduced as well as interval fitness training. Preschoolers also learn how to tread water and perform vertical whip kick with a buoyant aid. Once complete, preschoolers can register in Swimmer 2.

SWIM LESSONS HAVE CHANGED

Children

6-14 years

Swimmer lessons are a success-oriented learn to swim program for children 6-14 years old. There is a prominent focus on in-water swimming practice as swimmers learn fundamental strokes and skills, mastering them as they progress through the program. Swimmers also learn how to be safe in, on, and around the water through Water Smart® education incorporated into every level.

Swimmer 1 Intro

An introduction for beginner swimmers who are not yet comfortable in the water. Swimmers will learn how to open their eyes, exhale, and hold their breath underwater, assisted jumps, floats, glides and kicks.

Swimmer 1

Building the foundation of swimming skill development, beginner swimmers will gain confidence in the water as they learn to float and glide independently, and are introduced to jumping and treading in deep water in a PFD.

Swimmer 2

Swimmers will gain comfort in deeper water by jumping in, and learning their sideway entries wearing a PFD. They also learn how to tread water, develop kicking skills, and will be introduced to front crawl and back crawl.

Swimmer 3

Swimmers make a splash learning how to dive, and be challenged with the introduction to more difficult (but fun) skills such as in-water somersaults and handstands to develop weight-transfer skills. They'll learn Swim to Survive® skills, whip kick on back and will further develop their front crawl and back crawl.

Swimmer 4

Moving from a beginner to intermediate swimming level, swimmers become better at diving, treading water, and swimming underwater. In addition to improving their front and back crawl, swimmers will be introduced to breaststroke, and learn the Swim to Survive® standard.

Swimmer 5

Swimmers master dives and swim in deep water. Swim to Survive® skills, breaststroke, front crawl, and back crawl are further developed, and eggbeater kick is introduced. Interval training and sprinting drills continue to challenge these swimmers.

Swimmer 6

Swimmers become proficient at deep water skills including stride entries and compact jumps. They'll develop lifesaving kicks such as eggbeater and scissor kick. Breaststroke, front crawl, and back crawl are further developed. Head-up swims, interval training and a 300m workout develop strength and endurance.

Swimmer 7 - Rookie

Laying the foundation of the Swim Patrol program, Rookie includes 4 main components: stroke refinement, fitness, first aid, and lifesaving. Stroke refinement is focused on front crawl, back crawl, and breaststroke. Fitness components include a 350 m workout and 100 m timed swim. Water proficiency skills include swimming with clothes, ready position, and feet-first/head-first surface dives. Swimmers learn and demonstrate the ability to conduct a primary assessment and contacting EMS, rounded off with an introduction to lifesaving skills, including self-rescue techniques, victim recognition, and using throwing assists.

Swimmer 8 - Ranger

Stroke refinement and underwater proficiency continues to be a focus in Ranger as it is critical for supporting swimmer fitness. Focus on enhancing capabilities in the water including stride entries, and underwater forward and backward somersaults. Swimmers learn lifesaving sport skills with a lifesaving stroke medley, timed object support and non-contact rescue with a buoyant aid. Swimmers can expect their fitness levels to increase as they further develop Eggbeater kick and work towards a 200 m timed swim. First aid focuses on unconscious victims and obstructed airway procedures.

Swimmer 9 - Star

Preparing swimmers for the Bronze Star Award, this program challenges swimmers with a 300m timed swim, 600m workout and a 25m object carry. Strokes continue to be refined. Lifesaving skills include use of rescue aids, defense methods, victim removals and supporting a victim in shallow water. First aid focuses on treatment of bone or joint injuries and respiratory emergencies. Once complete, swimmers register into Bronze Star.

55+ membership

You can purchase a 55+ single centre or multi-centre membership to participate in 55+ programs and activities. The single centre membership will allow you to participate in programs and activities at one centre of your choice. Buy the multi-centre membership if you wish to participate at more than one centre. **For only \$19.70 a year**, access one centre of your choice. **For only \$49.25 a year**, access all four seniors' centres.

Lifetime Membership

If you're 90 years or above and a Burnaby resident, you can apply for a lifetime membership. Please call your local centre for details.

Registered Programs

Registered programs are available to non-members. Please call your local centre for details.

Health Services Throughout the City

Living a Healthy Life with Chronic Conditions

This standardized patient education program is led by trained volunteers and provides practical suggestions and support to help people manage the everyday challenges of their chronic conditions. It's a fun, practical and interactive workshop. Topics include how to develop an exercise program, cognitive symptom management, healthy eating, breathing exercises, problem solving, communication skills, how to deal with the emotions of chronic illness and more. For information, please call 604-940-1273.

Citizen Support Services

Citizen Support Services helps Burnaby seniors stay independent. Choose from grocery shop-by-phone, mall shopping, phone friend, in-home visitor, Gadabouts bus outings or lunch program. For more information or to become a volunteer, please call 604-294-7980.

Swim lessons have changed

Burnaby has transitioned to the Lifesaving Society *Swim for Life* program, replacing the Canadian Red Cross *Swim Kids* program. Find your child's new swimming lesson level for spring program registration on pages 5-7, or visit Burnaby.ca/SwimLessons.

Browse the new swim lessons on Burnaby.ca/WebReg. Select an age category and click the category for Sports – Swimming. Filter the lessons by facility using the dropdown Complex selection menu.

Reminder: Register for one lesson set at a time. Your child may be withdrawn from a swimming program if registered in more than 1 lesson set per season.

Monday-Friday, 10am-3pm

Health Services Throughout the City

Health Programs at Burnaby's Seniors' Centres

Our drop-ins offer blood pressure monitoring, massage, chair exercises, height and weight monitoring and health-related literature. Practice a healthy lifestyle with support from retired nurses and knowledgeable, trained volunteers. \$2.00 donation per session. Please come to the centre to book footcare appointments. Programs are offered weekly at Edmonds; monthly at Cameron.

Living a Healthy Life with Chronic Conditions

This standardized patient education program is led by trained volunteers and provides practical suggestions and support to help people manage the everyday challenges of their chronic conditions. It's a fun, practical and interactive workshop. Topics include how to develop an exercise program, cognitive symptom management, healthy eating, breathing exercises, problem solving, communication skills, how to deal with the emotions of chronic illness and more. For information, please call 604-940-1273.

Citizen Support Services

Citizen Support Services helps Burnaby seniors stay independent. Choose from grocery shop-by-phone, mall shopping, phone friend, in-home visitor, Gadabouts bus outings or lunch program. For more information or to become a volunteer, please call 604-294-7980.

Annual General Meetings

Each year, the societies for each of Burnaby's seniors' centres gather to elect their boards of directors, report on their activity groups and more. You must be a member in good standing at the time of the AGM.

March 28, 9:30am

<p>Social Activities Spend time with others who share your interests! For specific details, call the centre where each group meets.</p>	<p>Stamp Club Share this enjoyable hobby that widens your knowledge of the world with others who share your interest. No dealers, please. Group fees.</p> <p>Seniors' South Asian Friendship Group Join others of South Asian descent who speak Hindi or Punjabi for fun and friendship featuring guest speakers, outings, special events and tea. Group fees.</p>	<p>1st Tuesday of each month 10am-noon</p> <p>Women: Wednesdays, 10am-1pm</p>
<p>Sports & Games</p>	<p>Snooker Enjoy a friendly game of snooker on one of our fine tables — someone is usually available for a game. Women's group generally plays M/W/F mornings. Inquire about league play and group fees at the front desk. Check the snooker board for tournament dates.</p> <p>Carpet Bowling Group fees apply.</p> <p>Table Tennis Group fees apply.</p> <p>Golf Club Players of all levels are welcome. Games are played at either Central Park or Kensington Park pitch and putts. For info, call Susan (604-336-2403). Golf Club normally meets at the pitch and putt location, not at Edmonds Centre.</p> <p>Badminton City of Burnaby drop-in fee applies.</p> <p>Pickleball City of Burnaby drop-in fee applies.</p>	<p>Tables available during centre hours.</p> <p>Wednesdays & Thursdays, 1-3pm</p> <p>Mondays, Wednesdays & Fridays, 8am-12:30pm</p> <p>Thursdays, 8-10am (March-September)</p> <p>Visit Burnaby.ca/Edmonds to view schedule</p> <p>Visit Burnaby.ca/Edmonds to view schedule</p>
