

HOW TO MAKE A WINTER SKY CARD

Have fun drawing the winter sky using all the awe-inspiring colours you see throughout the holiday season.

WHAT YOU NEED

- Colouring supplies
- Scissors

INSTRUCTIONS

- Cut along the thick black lines and fold the card in place along the dotted line
- Cut out the gray shaded area
- Once your card is ready, you can decide what kind of a winter sky you would like to create
- Simply gather up your colours and quickly run them over the inside of the card.
- The cutout window on the front of the card will display your winter sky behind.
